B. Project description and analysis

This is a request by Cotleur & Hearing on behalf of KH Cove Royale, LLC for approval of the Cove Royale Planned Unit Development (PUD) Phase 1 plat. The plat is to be consistent with the approved Cove Royale PUD Revised Phase 1 Final Site Plan consisting of 83 single family lots and associated

infrastructure on an approximately 70.25-acre site. The site is generally located on the south side of SE Cove Road, east of SE Grace Lane, approximately 0.14 miles west of SE Ault Avenue, in Stuart. Included with this application is a request for a Certificate of Public Facilities Exemption.

The Cove Royale PUD Master and Final Site Plan was approved March 26, 2019, changing the existing A-1, Small Farms zoning district to the PUD and approving 118 single-family residential lots on 97 acres of undeveloped land. The first amendment to the Cove Royale PUD was approved on May 5, 2020 and included a revised Preserve Area Management Plan (PAMP), Revised Master and Phasing Plan and a Phase 1 Final Site plan with 81 single family lots. The second amendment included a Revised Master and Phasing Plan, amended the PAMP and a Revised Phase 1 Final Site Plan to increase the approved single family lots from 81 to 83 and was approved March 21, 2023.

F. Determination of compliance with Comprehensive Growth Management Plan requirements – Growth Management Department

Unresolved Issues:

GENERIC COMP PLAN COMPLIANCE

This application cannot be deemed to be in compliance with the Martin County Comprehensive Growth Management Plan (CGMP) until the issues identified in this report have been satisfactorily resolved MARTIN COUNTY, FLA., CGMP §1.3.

G. Determination of compliance with land use, site design standards, zoning and procedural requirements – Growth Management Department

Findings of Compliance:

Staff has reviewed this application and finds that it complies with the LDR, as detailed within this report. Staff recommends approval of this development application as consistent with the guidelines and standards of the applicable Comprehensive Plan goals, objectives and policies, as implemented in the LDR.

Information #1:

Payment Of Taxes

No land shall be divided or subdivided and no drawing or plat of the division or subdivision of any land, or declaration of condominium of such land, shall be filed or recorded in the public records of any court until all taxes have been paid on the land. SECTION 197.192, FLA. STAT. (2016)

H. Determination of compliance with urban design and community redevelopment requirements – Community Redevelopment Department

Commercial Design

N/A – Staff review for compliance requirements associated with this area of regulations is not applicable to this project as currently proposed.

Community Redevelopment Area

N/A – Staff review for compliance requirements associated with this area of regulations is not applicable to this project as currently proposed.

I. Determination of compliance with the property management requirements – Engineering Department

N/A - Staff review for compliance requirements associated with this area of regulations is not applicable to this project as currently proposed.

J. Determination of compliance with environmental and landscaping requirements – Growth Management Department

Environmental

Finding of Compliance:

The Growth Management Department Environmental Division staff has reviewed the application and finds it in compliance with the applicable land development regulations.

Landscaping

Findings of Compliance:

No landscape plans are being reviewed in association with this application for Plat. Landscape plans have been approved for the Master Plan and Final Site Plan Review. It appears that areas provided on the Plat will provide for required landscape areas, however, additional clarifications may be required within the plat Dedication related to preserve areas and SFWMD Conservation Areas.

The Growth Management Department Environmental Division staff has reviewed the application and finds it in compliance with the applicable Land Development Regulations Article 4, Division 15 - Landscaping, Buffering, and Tree Protection. [2013]. The applicant has proposed construction of a 83 unit residential development.

The plat documents are consistent with the approved final site plan and approved development order. The survey provides for required areas of landscape and buffering.

K. Determination of compliance with transportation requirements – Engineering Department

N/A – Staff review for compliance requirements associated with this area of regulations is not applicable to this project as currently proposed.

L. Determination of compliance with county surveyor – Engineering Department

Unresolved Issues:

Item #1.

A boundary survey, signed and sealed by the surveyor and mapper whose signatures and seals appear on the plat, must be submitted. The survey shall:

1. Have been completed within 180 days of the date of the initial staff review of the plat,
2. Be certified to meet the standards of practice recognized by Florida Board of Professional Land Surveyors, as set forth in Chapter [DOACS 5J-17.050, 051, 052 and Chapter 177.041 061] and established pursuant to Ch 472, F. S., as amended, and
3. Include a title opinion of an attorney or certification by an abstractor.

[Ch 177.041.(1) and (2), F. S.]

A specific purpose survey may be submitted in the circumstance in which a safe upland line is used to approximate the boundary adjacent to a navigable water body.

[Ch. 177.04, Part I, F. S.; Sec. 4.912.C.14, M.C. Code, Vol 2]

Remedy/Suggestion/Clarification:

1. See the provided boundary survey redlines and address comments accordingly.
2. Make any applicable corresponding changes to the plat based on said redlines.

Item #2.

The legal description shall be consistent with the title certification. It shall include the total acreage of the platted land.

[Ch 177.091.(11), Part 1, F.S.; 4.912.C.20, M.C. Code Vol 2]

Remedy/Suggestion/Clarification:

1. On the boundary survey, correct the inconsistency in the vesting deed legal description as shown on the survey and the one as recorded in the Public Records of Martin County, Florida.
2. On the boundary survey, correct the new legal description as marked up on the provided redline.

Item #3.

The plat shall be consistent with an approved final site plan.

Remedy/Suggestion/Clarification:

1. Review provided markups and make all applicable changes based on the comments.
2. Ensure the plat is consistent with the approved final site plan.

Item #4.

Platted lines must conform to the following criteria:

1. Non-curved lines shall include the distances angles, and bearings or azimuths.
2. Curvilinear lot lines shall show the radii, arc distances, and central angles. Radial lines will be so designated. Direction of non-radial lines shall be indicated.
3. Sufficient angles, bearings, or azimuth to show direction of all lines shall be shown, and all bearings, angles, or azimuth shall be shown to the nearest second of arc.
4. The centerlines of all streets shall be shown as follows: noncurved lines: distances together with either angles, bearings, or azimuths; curved lines: arc distances, central angles, and radii, together with chord and chord bearing or azimuths.

A tabular form may be used to display the information, to be included on the sheet to which it pertains.

(Ch 177.091.(20-22), Part I, F.S.; Sec. 4.912.C.8a,b & c)

Remedy/Suggestion/Clarification:

1. Label the “Radial”, (R) lines on the plat or revise the note accordingly.
2. When a curve or a line extends over more than one sheet, that curve or line data shall repeat on each sheet at or near to the match line.

T. Determination of compliance with adequate public facilities requirements – responsible departments

The review for compliance with the standards for a Certificate of Adequate Public Facilities Exemption for development demonstrates that no additional impacts on public facilities were created in accordance with Section 5.32.B., LDR. Exempted development will be treated as committed development for which the County assures concurrency.

Examples of developments that do not create additional impact on public facilities include:

- A. Additions to nonresidential uses that do not create additional impact on public facilities.
- B. Changes in use of property when the new use does not increase the impact on public facilities over the pre-existing use, except that no change in use will be considered exempt when the preexisting use has been discontinued for two years or more.
- C. Zoning district changes to the district of lowest density or intensity necessary to achieve consistency with the Comprehensive Growth Management Plan.
- D. Boundary plats which permit no site development.**

U. Post-approval requirements

After approval of the development order, the applicant will receive a letter and a Post Approval Requirements List that identifies the documents and fees required. Approval of the development order is conditioned upon the applicant’s submittal of all required documents, executed where appropriate, to the Growth Management Department (GMD), including unpaid fees, within sixty (60) days of the final action granting approval.

Please submit all of the following items in a single hard copy packet and in electronic pdf format (on disk or flash drive) with the documents arranged in the order shown in the list below. The 24” x 36” plans should be submitted rolled and in separate sets as itemized below.
