###

**About Brightline**

Brightline is the only provider of modern, eco-friendly, high-speed rail service in America. The company currently operates between Miami, Fort Lauderdale and West Palm Beach in Florida and is scheduled to complete construction to the Orlando International Airport by the end of 2022. Brightline was recognized by Fast Company as one of the Most Innovative Companies in travel, offering a guest-first experience designed to reinvent train travel and take cars off the road. Brightline plans to bring its award-winning service to additional city pairs and congested corridors across the country that are too close to fly and too long to drive, with immediate plans to connect Las Vegas to Southern California. For more information, visit and follow us on [Facebook](#), [Instagram](#), and [Twitter](#).
