**Sketch and Legal Requirements**

In addition to Florida Minimum Technical Standards FS 61G17-6.006(1) regarding descriptions, Martin County, pursuant to FS 61G17-6.006(2) “more stringent survey standards,” requires the following for all descriptions:

1. Area of description shown.
2. Tie to nearest corner, intersection, or other well established survey point for lot and block descriptions. Currently, ties are only required for metes and bounds descriptions.
3. Do not include “not valid without the signature and original raised seal of a Florida Licensed Surveyor and Mapper”. This statement is not required and serves no purpose.
4. For ease of copying and recording, please provide letter size originals whenever possible.
